

Gentle Hands Support Limited

Rising Phoenix Award Winner 2026 – Home Care & Companionship, Nottinghamshire

Gentle Hands Support Limited provides compassionate, person-centred home support tailored to each individual's needs. Established in 2024, the service offers flexible care, from hourly visits to more comprehensive support, including companionship, personal care, housekeeping, medication assistance, and respite care.

With a strong focus on inclusion and independence, Gentle Hands works closely with clients and their families to create personalised support plans that promote comfort, dignity, and quality of life at home.
